

Most obstacles are not external.
They are internal negotiations
we have learned to accept.

UNSTUCK rejects motivational fluff
and insists on discipline, responsibility,
and daily action.

Drawing on Stoic wisdom, it argues that
the right response to uncertainty is not
prediction—but character.

Stop waiting. Move now.

1. Stop Stalling 2. Your Excuses Are BS 3. Embrace Discomfort 4. Don't Negotiate 5. Action Comes First 6. Stuck Wins 7. Persistence Over Perfection 8.
Don't Miss Twice

"The happiness of your life depends upon
the quality of your thoughts."
— Marcus Aurelius
